

# The Outsiders: STEAL Characterization Organizer

Unit 4 — Symbolism & Characterization | English 8 Graphic Organizer

Student Name: \_\_\_\_\_

Date: \_\_\_\_\_

Class Period: \_\_\_\_\_

Target Character Analyzed: \_\_\_\_\_

**Directions:** Choose a key character from *The Outsiders* (e.g., Ponyboy, Johnny, Dally, Cherry, or Darry). Complete each STEAL category below by recording specific textual evidence (quotes/actions) and inferring what it reveals about their personality.

| STEAL Category       | Guiding Questions                                                                            | Textual Evidence & Direct Quotes | Inferred Character Trait & Analysis |
|----------------------|----------------------------------------------------------------------------------------------|----------------------------------|-------------------------------------|
| S — Speech           | What does the character say?<br>How do they speak? What tone or slang do they use?           |                                  |                                     |
| T — Thoughts         | What is revealed through the character's private thoughts, feelings, and internal monologue? |                                  |                                     |
| E — Effect on Others | How do other characters react or feel toward this character? What is their reputation?       |                                  |                                     |
| A — Actions          | How does the character behave?<br>What choices do they make during key decisions/crises?     |                                  |                                     |
| L — Looks            | What does the character's appearance, clothing, hair, or posture reveal about them?          |                                  |                                     |
